News from the Park Administrator

It's August! Last month, Gloria and I had the privilege of having all four of our grandchildren visit the park at the same time along with our younger son, Frank. This is the first time the four grandchildren have been together for many years! It was important to us for them to become better acquainted. They seemed to enjoy each other, and we had a great time with them. We visited the Safari Ranch in Lakeland, played miniature golf and table tennis, and played some table games. Most importantly, we spent time with them.

As we move further into the hurricane season, I want to remind everyone of some important points.

- It is vital that we know everyone who is in the Park. In the event of severe weather and possible life-threatening damage, we must know who we need to account for.
- If you are in the Park when a hurricane watch or warning is issued, you must ensure that all outdoor articles are secure—either tie them down or put them indoors.
- Although a hurricane is not in the forecast as I write this, it is important that you prepare yourself and your family. Visit <https://www.hillsboroughcounty.org/en/residents/public-safety/emergency-management/hurricane-and-tropical-storm-preparedness> to review how you need to prepare for a storm.

There are several projects that are in progress **but** I need help so they can be completed.

- 1) Conduit needs to be run from the back of my house to the gate.
- 2) Two cameras need to be placed for surveillance at the gate. We currently can see everyone coming and leaving, but we want to have a better view of them at the call box.

Lots Available for Lease

There are currently no lots available to lease for a RV or Park Model.

The following lots are available for a modular home to be put on them:

5359 Beulah Land

5885 Shiloh Path

Call the Park Office at 863-858-7504 for information.

Continued from previous page.

3) The audio/video booth at Hood Hall is coming along well, but some additional wires need to be run, and audio jacks need to be connected. If you can assist with any of these, please let me know so we can move toward completion.

The Ebenezer/Zion water project has been completed. However, if you need assistance when you return with the location of shut off valves or are having trouble getting water, please let us know.

The Board and I continue to work on the property purchases. I don't have any updates currently. When I have an important update, I will let you know.

We had several trees trimmed this month and two were removed. The two trees by the wastewater treatment plant that were causing interruptions in the normal operation of the plant were cut down. Some low-lying and dead branches above some residences were trimmed, and the tree across from the office was given a trim.

On the resident's information form that was updated a couple of years ago, we asked for vehicle information. Although it is not required, we started asking for that information because of a situation that took place early in the Covid pandemic. A resident was missing and no one, not even the family, knew the make, model, or license plate of that individual's car. A silver alert should have been issued, but we could not do so because we didn't have that information. Please update your vehicle(s) information by sending an email to the office (office@lightandlifepark.org).

If you have changed the locks on your residence, please provide a copy of the key(s) to the office per Rule 3.1(h). Also, be aware that we will not give a key to anyone other than the owner without specific instructions from the owner informing us who can be given the key.

I hope you all have the chance to visit and spend time with your family this summer as I have. I know that doing things together leaves lasting impressions. Enjoy your ongoing summer!

Office News

It has been HOT, HOT and HOT in Florida this month! The afternoon storms have arrived as well. We have been busy in the Office getting the reservation confirmation letters ready. They should all be sent by August 7.

A few units have gone up for sale in the Park. The first is a mobile home located at 5882 Deeson Road. The second is a Park Model located at 5310 Ebenezer Place. The third is a block home located at 5311 Sharon Trail. You will see these listed on the website very soon.

We recently announced a new employee, Pat Wagner, who has been cleaning the Guest Rooms and Hood Hall. She has been a great employee, but she has decided to move back to Pennsylvania in August. Her home is sold, and she is ready to go back close to family. We will surely miss her a lot. That leaves another opening for someone else who would like to keep those areas clean.

We would like to remind you that if you are going to have a visitor stay at your residence, please be sure they check in at the Office. This helps the Office be aware of who is present in the Park and that they truly belong here. This is especially important during the Hurricane season. If disaster strikes, we need to be able to account for everyone that is supposed to be here.

Please remember that Sherry LaBrie is no longer Office Manager and is on an extended vacation. If you need assistance with anything, contact Greg Thomas (Office Manager) or Lori Jones (Assistant). We want to assist you.

Hoping you are staying warm in your other locations if you are away. If you are here, stay inside and stay COOL.

The office Staff.

The Work Goes on

News from the Board of Directors

Our roots are deep here at Light and Life Park. Many years ago, Leaders had a vision to begin what was to be called Light and Life Camp. The following are excerpts from "A HISTORICAL RECORD OF FLORIDA LIGHT AND LIFE CAMP By DONALD J. CLEVELAND Published April 1995". The entire article can be found on the Park website.

"The Florida Conference of the Free Methodist Church of North America came into being in 1951 when the Georgia-Florida Conference voted to become two separate conferences.

*The Florida Conference campground was located at Kissimmee from 1938 until 1958 when the property was sold. At the annual conference of 1964 a decision was made to search for a site for a new campground. Pastor Gordon Smith of Lakeland, First and Florida Conference Superintendent Elmer Hood located a **forty-acre site at the west end of Deeson Road in Hillsborough County**. In February 1965, the conference "Camp Meeting Committee" met at Lakeland, First Church and considered a proposal for purchase of the property. The decision was made to recommend to the annual conference to purchase the property at a cost of **\$30,000**.*

Continued next column.

Continued from previous column.

A Camp Development Committee was formed and soon work was begun."

Light and Life Camp was born. Youth camp, family camp and annual conference were held at the campground in the summer of 1966. The next few years campers stayed in tents, travel trailers and the few cottages that had been constructed followed by the start of leasing property which had been subdivided.

The Camp continued to grow over the years with a dining hall, motel, a few houses and travel trailer park, soft ball field, shuffleboard, and swimming pool.

More land was purchased: *"a **ten-acre** acquisition to the property on the east boundary of the original forty acres. In the mid-1970's this was purchased along with **twenty acres** along the south boundary."*

Then into the late 1970s early 1980s: *"This new property, consisting of **forty-three acres** across the south boundary and running east fifty feet beyond the Polk County line, in 1982. The cost was **\$125,000**."*

We all owe a big thank you to those leaders many years ago that had the foresight to begin what we all enjoy here at Light and Life Park. As a longtime resident recently stated: "I don't believe we have ever regretted purchasing land"

Where to Donate your Goods

The donations given at the Park to help others are appreciated. **Please take your donations to the following places:**

Food donations for Briarwood may be left on the designated table in Hood Hall.

We will now be accepting "linens" for Senior Orphans. Please refer to Senior Orphans article in this newsletter.

Jean Whipple takes several items to Talbot House weekly. See that article in this newsletter for details.

Thank you for your cooperation.

Stamps for Missions

All donated stamps are sent to Alliance Stamp Ministry in Fort Myers where they are sold to dealers. The money is sent to a publisher in Buenos Aires, Argentina where they publish Sunday school material in Spanish that are sold to at least eight Latin American Countries as well as Spain and the US. They are used by over 40 Protestant Denominations.

Try to leave at least 1/4 inch or more around each stamp or strip of stamps. They now collect picture post cards both unused and used. If used, please leave the stamps on the cards. Thank you. The container is in **Hood Hall** for your convenience.

We want to thank Colleen Sellers for all her hard work in keeping this Mission going.

If you don't save your stamps, consider doing so. Many children learn about Jesus because of the sale of stamps.

Thank you. *Marilyn Stone*

A note about pop/soda cans:

Thank you for saving your aluminum cans which are taken by us to a recycling center in east Lakeland. The money received is being used to help our Park.

I am happy to pick up your pop/soda cans to haul to the Recycling Center, however it will make my job a lot easier if you remember the cans from canned goods **CANNOT** go in with the aluminum pop cans. These are picked up by someone else and need to be kept separate.

There is a bin in the metal recycling collection center near the dumpsters which is marked "POP CANS"--that's the one to use!

Thanks for your help.

Medical Equipment Available

Maxwell Commons at The Villa has some medical equipment available that can be borrowed by any Park resident. Call someone you know in the Villa to help you. Please sign out the equipment you are borrowing. There are wheelchairs, walkers, rollators, portable pots, and shower seats. Please notify a Villa member when you are returning an item, so we know it has been returned. Please **don't** leave it on the porch. We are **not** presently accepting any equipment donations due to lack of storage space.

Talbot House Ministry

The ongoing deliveries of prescription bottles, unused medicines, good clean clothing that you no longer use, and small household items is an ongoing project. Please continue to save these helpful items for the homeless shelter and the Good Samaritan Clinic. Please deliver them to the Whipple's porch at 5866 Deeson Road any time. Jean will get them delivered.

Jean will take your items to Talbot House on Wednesdays. **Please note this change! Donations will be accepted all day on Tuesdays and until 10:30 AM on Wednesdays. PLEASE leave your items in Jean's screened porch.**

Should you wish to send financial assistance to this work, the address is: 814 North Kentucky Avenue, Lakeland.

Thank you! Jean Whipple

SENIOR-ORPHANS IS BACK!

For several years prior to covid, residents of Light and Life Park had the opportunity to bless those less fortunate through a program called Senior Orphans.

Senior Orphans helps local, indigent seniors living with no family support and meager monthly incomes.

We will again be collecting items to donate to this foundation. Please feel free to drop off clean, gently used bedding, linens, and towels to the totes in Hood Hall designated for Senior Orphans.

If you have any questions, please contact:

Terri Boda at 5378 Bethel Drive or phone 434-270-2840.

Bucket Listers

Have you started counting the days until you return to the park or made your airline reservation? Some of us have.

A possible list of Bucket Lister Projects for next year include buying televisions for Hood Hall, building a shade structure at the pool, buying new side tables for the pool area, screening in the lanai by the pool and building a pavilion near Hood Hall!

Wouldn't a pavilion like this look great between Hood Hall and the church? This pavilion is 40 x 80 and would be just right as an overflow for dinners at Hood Hall and other outdoor gatherings.

Earl & Willie are returning to Light and Life March 17, 2024, for a southern gospel concert at the church.

The Bucket Listers will continue to offer Tuesday Night Movies, Tuesday Night Trivia, Cinnamon Rolls Sales, and Hot Dog Lunches during the next winter season. Your support of these activities is amazing and appreciated!

While you are yard saling this summer keep your eyes open for jigsaw puzzles. We have an extensive collection but could always use one or two more!

Enjoy your summer and see you again in the fall!

Blood Pressure Clinic

Even though the blood pressure clinic has been suspended for this year, I am a full-time resident now, and am willing to take anyone's blood pressure at any time.

I can come to your house, or you can come to mine, 5437 Bethel Dr.

A Great Time at Manton Camp!

On July 1, 2023, thirty-two residents of Light and Life Park attended the Second Annual "Saturday Before the Fourth" Picnic at Manton Christian Camp.

Dennis and Judy Crow, from Ontario planned their vacation to Michigan around the picnic so they could see friends from the park.

It was good to see everyone and catch up on what they had been doing since last spring and to find out when they were planning on returning to the park this coming winter season.

Also, the food was delicious! Thank you to all who brought dishes to share.

Tentative date for next year's party is 6/28/24!

50th Anniversary Celebration

Plans are underway for the 2024 50th Wedding Anniversary Celebration to be held on February 9, 2024.

We will be honoring the following couples who will be celebrating 50 years of marriage in 2024.

Randy & Faith Reesman

EJ & Brenda Miller

Stan & Gloria Welton

Richard & Patty Bohms

Fred & Barb Hartson

David & Gayle Hooks

Dennis & Jill Wood

These couples **should have received** an email listing all the information and what to do to ensure a wonderful open house.

If your name is not listed above and you are celebrating your golden anniversary next year, we would love to include you! Just send me your names and contact information.

Perhaps you'd like to serve on the committee for the 50th celebration or help with the event – you are most welcome to join in by contacting me and expressing your interest.

Thank you,

Carolyn Lindley

50th Anniversary Chair

Update on Benches

We spoke with Ed Hamilton recently and he assured us that he is still optimistic that someone will take over the Park Bench manufacture so we can get more benches. He hopes to know within the next few weeks for sure. He already has some benches requested but would like other requests to be made to the Park Office until the details are sorted out on getting them.

You may continue to collect plastic lids. Please be sure they are clean. If they are stored at his place this summer, they need to be put inside his storage containers.

We will keep you posted if anything further develops.

Library Information

Library Notes

Presently we are placing "**date due**" slips in each of our books. This is so you may write the due date on the slip to help you remember. We have lost an immense number of books this year due to no returns or books being taken out without signing the card and placing it in the correct box. **In fact, some people owe \$100 plus dollars for unreturned books.** This is not fair to others!

We are presently redoing the drama section of our DVDs and classifying each section to help you find a movie of your choice quicker and easier. Please be patient while we get this done.

Two new clocks are now up. They are easier to see and keeping time accurately!

See you in a few months!

Book Review

The Crystal Cavern by Hannah Alexander

Those who love mystery stories will be drawn into *The Crystal Cavern* from the very first page. Dr. Sable Chamberlin recently finished her Residency and has been practicing as the physician for Boswell Mining, in Missouri, including low wages and long hours. Her grandfather was recently murdered, and she is next on the hit list!

When an ice storm strands Sable Chamberlin and Paul Murphy in the southern Missouri hills, they assume they're safe from the mysterious killer responsible for murdering Sable's grandfather and Paul's uncle. But while searching Sable's childhood home and connecting caves for clues, it becomes clear that real danger has followed them.

Continued next column.

Continued from previous column.

Soon, Sable and Murph, fighting for their lives, discover secrets worth killing for. . .and unexpected treasure more costly than gold. Combining the rich setting of the Ozark hills with compelling and diverse characters, this fast-moving novel is sure to keep readers asking "whodunit?"

This book keeps you guessing to the very end and is worth the read. It is with suspense, along with diverse characters! You will find this is the A section of fiction authors.

A Nickel's Worth of Skim Milk: A Boy's View of the Great Depression by Robert J. Hastings

The Great Depression was an era when there was very little to be had. We, today, cannot imagine how restricted it was for a family to have very little supplies, including food. This book brings that time to a realistic image at what every-day life was like in 1929 and the early 30's.

One reviewer's words explains it clearly: "I would recommend this for anyone who wants to know what life was like for the people who lived through the Great Depression. It is a wonderful look into the life of one boy and his family. It is the kind of book that every student should read when studying the Great Depression. Textbooks will tell you what happened, but they never really give you a good idea of what life was like for the people who were affected. This book does. As the author points out on the jacket, when the book was published in 1972, people started writing about him and saying he was "writing about my family, as much as your own." A book really worth the read."

You can find this in the nonfiction section 973 on the other side of the large print books.

Come, join the fun, and have a cup of coffee and a doughnut!

A Good Read

Mel Starr, our resident author, has copies of his medieval mysteries, including the newest, #15, **SUPPRESSION AND SUSPICION**, which was released in October.

He has a new book being released in October just in time for the next winter season here in the park.

Even though the Starr's have left the park for the summer, you can find all his books at Amazon.com.

"Growing old is like a grammar lesson: we find the present **tense** and the past **perfect**."

Shuffleboard

Just a reminder for the summer! The courts are always open, and the pucks will be waxed. You are always welcome to play if the sun and bugs don't deter you. Enjoy! We will resume a regular schedule in the Fall.

Our HORSESHOE pits are open.

The pits are located between the miniature golf and shuffleboard courts.

You might want to check out the new construction around the pits. It might be easier to work on improving your game, and safer, too.

For nighttime play the light switch is inside the miniature golf shed on the east wall.

Help yourself to horseshoe fun.

Fellowship Dinners

The August signup sheets are up for the fellowship dinner August 7th, at 5:30 pm. Please sign up by the 4th.

Dave and Gail Cook are working with the committee members to prepare the meal of pulled pork, baked bean, cheesy potatoes, coleslaw, and sheet cake at the low cost of \$6.00, and all the food will be provided.

Come out and enjoy dinner with the other residents of the Park.

The main course for the September dinner will be Spaghetti.

Game Night

Game Night is held on most **Friday evenings** at 7:00 PM in **Maxwell Commons**.

Bring your favorite game and friends and have an evening of fun and fellowship.

L & L Bowling League

Hey all you bowlers. You will be pleasantly surprised when returning for the bowling season this year.

There have been so many wonderful changes at the bowling alley. Joe, the new manager has done an excellent job of starting the revamping of the interior as well as the exterior.

Your probably saw the pictures of what it will eventually look like and here are a couple of pictures to whet your appetite for the new year.

Newsletter Deadline

Please be sure that your submissions to **The Life and Times** are delivered to the newsletter editor, Barb Hartson by the 20th of the month prior to publication.

If you have pictures of an activity you would like to share, send them to me I will do my best to put them in the newsletter.

Please use this email: bhartson@gmail.com (Barb Hartson). Email is the preferred method.

The September deadline is **August 20th** unless the activity is in the latter half of the month. Then check with me to see if you can still make it in.

Outreach Ministry

I love the summer sunshine, but Summer is a very tough time for many people. Sure, vacations are great but for some it means:

- No free school breakfast or lunch programs.
- No discreet backpack of food sent home for the weekend.
- Extra childcare expenses or leaving children alone.

Please consider donating food or funds. We are working to make donations easier and will update as soon as we can.

This is NOT my ministry I CAN'T ask for money or COMMUNICATE NEEDS effectively. Sometimes God says DO IT so here I am trying to communicate the very real need.

Other outreach ministries

L&L Thursday is just one of our Outreach programs. We helped a handicapped lady get the donated items into her van on Friday and she said they have over 250 people that come to their food bank each week. She was so grateful for the amount we had to give her last week. It was humbling to be able to provide lots of bread and sweets to them for people in need.

Updates to Briarwood

Improvements continue in Briarwood. The laundry room has been painted and new windows are in place.

There are stakes in the ground where the fence and gate will eventually be placed. And clean-up of empty lots, repair of existing empty trailers and lot clean-up for existing residents are continuing.

Please continue to pray for this ministry as we deliver every day to those in need, not just on Mondays.

Pray for the residents in Briarwood as they make changes that cost money to better their community. Please also pray donations over the summer will enable the Monday Briarwood to continue.

Thanks for those of you at Light & Life who make this ministry possible!

A Note from Pastor Chuck...

The following quote from the book, One Anothering, has struck a chord in my heart. "I have witnessed terrific answers to ... prayers. We [small group] would not have experienced them if we had not been asking for prayer and then listening for God's response. The process of asking prepares us for receiving. As we ask, we begin looking for God to work."

Do I, do you, do we, each day approach God with a sense of expectation? Have we been talking with Him about life thus allowing Him to answer/share in those questions, concerns, joys, and praises? How can He speak to us if we are not listening because we already know what we know? What are His desires in our living in fellowship with one another? How do we encourage each other, build each other up in Jesus and mature into the person/people He has created us to be? Continue to talk with Him, pray, wait expectantly for what He will do and demonstrate the mighty works of His hands.

In Christ,
Pastor Chuck

Prayer initiative

It was announced at church recently, that our Southeast Regions Conference is starting a 24/7 prayer initiative.

We are looking for all people willing to pray for 30 minutes per week to keep our conference churches, ministries and personnel covered with prayer for the upcoming conference year.

If you are willing to take your place as a prayer warrior, we will give your name to the Conference office, and they will guide you on how to pray moving forward.

Thank you for standing together with us, in this Kingdom work.

Please let me know asap if you can stand with us.
