## Lots Available for Lease

There are currently no more lots to lease for RV or Park Model homes.

The following lots are available for a modular home to be put on them:

5359 Beulah Land

5885 Shiloh Path

Call the Park Office at 863-858-7504 for information.

## News from the Park Administrator

Just a few short weeks ago, the Park was abuzz with activity. Boy is it quiet here now! The puzzle table is almost empty. There are no more golf tournaments. The streets are nearly empty of walkers, bikers, and joggers. And the pond is nearly empty.

Once again it was a busy winter season for improvements. Many projects were completed or started by numerous volunteers with the assistance of Park staff! It is remarkable how much is accomplished when many hands are involved. Here are some of them; if I missed any, forgive and remind me.

- The sidewalk and bridge from the library to Shiloh path
- Grass seeded along that sidewalk.
- Expanded tennis/pickleball pad.
- Concrete pad for a storage unit behind Hood Hall
- New water lines installed between Ebenezer and Zion (this work is still in progress)
- Painted the office/guest room building.
- Handrails installed at the north end of the Hebron stormwater drain.
- Demolished the walking bridge to the old pool area.
- Installed safety backboards for the horseshoe pits.

We anticipated reworking the outflow of the Jordan from our Park this past season. This is part of our larger stormwater infrastructure improvement. However, we were unable to proceed with our work until TECO relocated streetlights, transformers, and poles. The streetlights have been relocated. And, just recently, TECO informed me that the rest of their work would start in the next couple of weeks. Once this is completed, we will begin planning the next stage of the project.

As I look forward to this summer and next season, I need to hire some staff. Barb Lake has resigned her position on the cleaning staff. Mike Brown turned in his resignation and will not be part of the paid maintenance staff when he returns.

**Continued next page**

**Continued from previous page**

Please thank these folks for the outstanding job they have done. As a result of the resignations, we will need cleaning and maintenance staff. We have some prospects, but if you know of anyone who might be interested in a part-time position, please let me know.

Wherever you are spending the next several months, be safe. May you know God's blessing and presence. We will see you for another busy season next winter.

*Jan*

**Office News**

The snowbirds have "flown the coop" and headed back to the last snowstorms, and spring weather transitions. Here, we are transitioning to summer. The Office has some forms to redo, some research to do and we will be working with Board members on cleaning up the Rules and Regulations.

Speaking of forms, the Board created a pledge form for Park projects which members can fill out to let them know how you can support the current projects and when. This will help them have a sense of how to plan financially. If you would like to have a copy of the form, just call the office and we will make it available to you.

The Office has had some recent requests for new deeds on our deeded properties. The requests are for Ladybird Deeds, which have more to do with avoiding probate. We do not believe that we have the legal expertise to create these types of deeds and be able to assure that we can give you what you need. We would recommend that you seek legal counsel. If you need us to notarize your documents, we are glad to help finish the process with you. We hope this helps you understand what our abilities are in this situation.

We currently have leased all available lots except the two that require modular homes. We believe we will have a couple of homes available for sale soon. If you are looking, be sure to watch the website for new listings.

**Continued next column.**

This month the following properties have changed owners:

1. 5323 Hebron Court was leased by Chuck Shiels who returned to Light and Life Park after an absence of a few years. He has always been a renter but now has become a member. Welcome Chuck!
2. 5321 Hebron Court which was our last open lot for lease, has been leased to Carlos and Yvette Ramos. We look forward to welcoming them to our community.
3. 5341 Ebenezer Place has a new owner, Melinda Vokal. She is the sister of Christine Aurich, the former owner of this home. Chris must have sold her on the idea of being here. Welcome Melinda!
4. 5821 Shiloh Path is now owned by Dave and Gail Cook. We know them well because they have been campers in our Park for a few years and we are glad to welcome them as members.
5. 5333 Ebenezer Place is now owned by Barry and Ida Bunting. Pastor El has made his move and Barry and Ida found their forever home. Congratulations, Barry and Ida.
6. 5321 Sharon Trail has new owners. Carl and Kim Brannon have assumed ownership of Carl's mother's home on Sharon Trail. We are glad to have them join our Park family.
7. 5343 Bethel Drive has also had a change in ownership to family members. Leland and Jo Sayers have sold their home to Steve and Diane Sayers. Steve is Leland's son. We are glad to have them in the Park.

May is here and things are quiet, but life goes on and we still enjoy all the things that we do during this season except we don't have the many faces of our winter group. May you all be blessed as you spend your time with family and friends in your other homes.

**News from the Board of Directors**

There is an old saying: April showers bring May flowers. The spring season is here. Let us all enjoy. God has created this special time almost as a rebirth of His creation. So, let us "take it all in".

At our last board meeting for this season one of the items completed was to assign board members to committees. This is another important part of how your Park "gets things done". Committees deal with finances, building and grounds, By-laws, future planning, personnel, nominating, and social committees. But also, beautification, shuffleboard, wood activities, 50th anniversary, and so on.

By definition:

A committee is a **group of people who meet to make decisions or plans for a larger group or organization that they represent.**

The benefits of a committee may not be so obvious but the individuals who make up the group have different skills and talents. They can bring different ideas to the group. The actions of the committees can advise the Board on changes or visions for the Park and make the whole process run more efficiently. And by the way, you do not have to be a board member to serve on some committees. Here at Light and Life a good working and organized committee is an important part of our Park. For example, the building and grounds committee meets regularly to plan and assist the work being done on the infrastructure and recreation around the park. Days before the monthly board meeting, they prepare a report. At the Board meeting the report is submitted with any motions that may be brought. It then goes into the record.

So, a priority of this board will be on its committees. If you are already on one, great. Keep up the good work. If you have any questions about a committee or have something to share, then contact a board member.

**Where to Donate your Goods**

The donations given at the Park to help others are appreciated. We want to remind you where to take your donations.

Food donations for Briarwood may be left on the designated table in Hood Hall.

We will now be accepting "linens" for Senior Orphans. Please refer to Senior Orphans article in this newsletter.

Jean Whipple takes several items to Talbot House weekly. See that article in this newsletter for details.

**A note about pop/soda cans:**

Thank you for saving your aluminum cans which are taken by us to a recycling center in east Lakeland. The money received is being used to help our Park.

I am happy to pick up your pop/soda cans to haul to the Recycling Center, however it will make my job a lot easier if you remember the cans from canned goods **CANNOT** go in with the aluminum pop cans. These are picked up by someone else and need to be kept separate.

There is a bin in the metal recycling collection center near the dumpsters which is marked "POP CANS"--that's the one to use!

Thanks for your help.

Wes Crist

**Talbot House Ministry**

The ongoing deliveries of prescription bottles, unused medicines, good clean clothing that you no longer use, and small household items is an ongoing project. Please continue to save these helpful items for the homeless shelter and the Good Samaritan Clinic. Please deliver them to the Whipple's porch at 5866 Deeson Road any time. Jean will get them delivered.

Jean will take your items on Wednesdays. PLEASE leave things in Jean's screened porch any day just inside the door. Thank you.

Should you wish to send financial assistance to this work, the address: 814 North Kentucky Avenue, Lakeland.

**Please do not bring items for Talbot House between April 26th and June 12. Deliveries resume the next week in June. Thank you! Jean Whipple**

**Stamps for Missions**

**Well, the "near future" has come**, Les and I will be moving in June. I am very happy to announce that **Marilyn Stone** will be facilitating this ministry from now on. You can still leave your stamps in Hood Hall, and she will take care of them when she returns in the fall.

All donated stamps are sent to Alliance Stamp Ministry in Fort Myers where they are sold to dealers. The money is sent to a publisher in Buenos Aires, Argentina where they publish Sunday school material in Spanish that are sold to at least eight Latin American Countries as well as Spain and the US. They are used by over 40 Protestant Denominations.

Try to leave at least 1/4 inch or more around each stamp or strip of stamps. They now collect picture post cards both unused and used. If used, please leave the stamps on the cards. Thank you. The container is in **Hood Hall** for your convenience.

Thank you. *Colleen Sellers*

**Medical Equipment Available**

Maxwell Commons at The Villa has some medical equipment available that can be borrowed by any Park resident. Call someone you know in the Villa to help you. Please sign out the equipment you are borrowing. There are wheelchairs, walkers, rollators, portable pots, and shower seats. Please notify a Villa member when you are returning an item, so we know it has been returned. Please **don't** leave it on the porch. We are **not** presently accepting any equipment donations due to lack of storage

**SENIOR-ORPHANS**

For several years prior to covid, residents of Light and Life Park had the opportunity to bless those less fortunate through a program called Senior Orphans. Senior Orphans helps local, indigent seniors living with no family support and meager monthly incomes.

We are collecting items to donate to this foundation. Please feel free to drop off clean, gently used bedding, linens, and towels to the totes in Hood Hall designated for Senior Orphans.

If you have any questions, please contact Terri Boda at 5378 Bethel Drive or phone 434-270-2840.

## Bucket Listers

We had a wonderful winter season! Thank you for all your support in making this possible!

On 4-1-23, an energetic group of residents, power washed the pool chairs and tables.

The Bucket Listers purchased and had installed six frames for posting information at the mailboxes near the north end of Ebenezer Place. Thanks to Denise and Chuck Tomasello for power washing the mailboxes and the mailbox awning!

On 4-4-23 a movie titled *A Question of Faith* was shown in Hood Hall. Thanks to June Voller and Carolynn Orrison for popping all the wonderful popcorn for Trivia Tuesday and Movie Tuesday Nights. This past season!

On 4-11-23, a Game Night was held at Hood Hall, complete with Complimentary Root Beer Floats. Games were played, floats were enjoyed, and stories told!

The Bucket Listers obtained approval from the boards, both park and church officials, to endorse Kathy Zook and Donna Zook in their new project. Kathy and Donna are interested in preparing two Wednesday night meals per month for the residents of the park during the months of January, February, and March next winter. The meals would be served between 4:30 pm and 5:45 pm. They would plan, shop, prepare, serve, advertise, and clean up after these meals. They will price the meals reasonably but competitively. The food prepared will be high quality home cooking.

This would not be a fundraiser for The Bucket Listers.

Profits after covering the cost of supplies and food would go towards a park project.

Bucket Lister Projects for next year include buying televisions for Hood Hall, building a shade structure at the pool, buying new side tables for the pool area, and screening in the lanai by the pool.

The Bucket Listers will continue to offer Tuesday Night Movies, Tuesday Night Trivia, Cinnamon Rolls and Hot Dog Lunches next winter season.

Enjoy your summer and see you again in the fall!

## Library Information

### Library Notes

You will find a lot of treasures, like the following reviews, in our library. Our goal is to make you aware of them and create an easier to use system to help you find what you are looking for. Les Sellers did an excellent job, and this librarian wants to build on those strengths.

Please turn in your late books and all books before you leave for your other home. This is so important to keep track of books, mend others, and find the incomplete series to update ASAP.

The black ink was used up again. There was  $\frac{3}{4}$  of a filled cartridge when I checked earlier and, in a few days, it was empty. That implies that over 400 or 500 sheets were printed. Please be aware of how much you are printing and pay for what you use. The figures do not add up.

## Book Review

### Hidden Victory A Historical Novel of Jesus by Herbert Francis Smith, S.J.

In the past, have you ever tried to visualize what Jesus was like as he was growing up? I have, but it seems I do not have enough information about that time to do that. How can anyone?

Herbert Francis Smith, the author of this book, did so! He researched geography, historical events, dialogue of the time, and with those facts, imagined what Jesus thought and did during his lifetime. This is a novel, but as accurate as if Jesus wrote this Himself.

You will picture Mary, Joseph, Jerusalem, the mountains, along with Jesus and Joseph, His earthly father, discussing matters of a father and son, Visualization of conversations and arguments between the disciples, and how Jesus must have felt when Judas plotted against Him. Christ's trial and death, resurrection, moments in Hell, and His

**Continued next column.**

victorious journey as He rose to be at the right hand of His Father.

Read this book and discover what Christ's life, thoughts and emotions might have been. The facts are true, the novel is superb in helping visualize who, what, where how and why in Jesus' lifetime. A MUST read! You will find it in the new book section of the library.

### A Fool & His Monet A Serena Jones Mystery, Book 1 by Sandra Orchard

While updating the data info I discovered books that we have had for 10+ years, barely checked out. I couldn't figure out why. The cover was attractive, and with a play on words in the title it seemed to me it would have humor in it.

*A Fool and His Monet* was humor-filled, the character's family, colleagues, friends, and criminals all were filled with idiosyncrasies. Aunt Martha was the star, always wanting to help Serena solve her cases. Serena was a newbie in the FBI, yet she was great, really great!

Serena's family history shows her grandfather's famous painting was stolen, and he was murdered. His case went unsolved, thus her desire to find her grandfather's painting and solve his murder was the catapult to her career.

Presently, two valuable paintings were taken from a museum, which her best friend was the director of, and she was assigned to the case. While all this is going on, her mother badgers her to find a man, settle down, and take another job. She is not willing to settle down yet, but suitors are pursuing her along with crooks from a previous bust.

*A Fool & His Monet* is an easy, fast read with twists and turns. After reading this book you'll want to devour *Another Day Another Dali*, and *Over Maya Dead Body*. You will find these in the new book section even though they are not new. You WILL enjoy this trilogy.

### A Good Read

Mel Starr, our resident author, has copies of his medieval mysteries, including the newest, #15, **SUPPRESSION AND SUSPICION**, which was released in October.

He has a new book being released in October just in time for the next winter season here in the park.

Even though the Starr's have left the park for the summer, you can find all his books at Amazon.com.

“Growing old is like a grammar lesson: we find the present **tense** and the past **perfect**.”

### Our HORSESHOE pits are open.

The pits are located between the miniature golf and shuffleboard courts.

**You might want to check out the new construction around the pits.** It might be easier to work on improving your game, and safer, too.

For nighttime play the light switch is inside the miniature golf shed on the east wall.

Help yourself to horseshoe fun.

Keith Childerhose

### L & L Bowling League

Bowling is complete for this season, and we look forward to next January when we organize our teams again.

Some of us will be bowling for fun over the summer, if you have an interest, please let me know.

Please join us next year, you don't have to be good just diligent.

Earl Hartson [bhartson@gmail.com](mailto:bhartson@gmail.com)

### Shuffleboard

Just a reminder for the summer! The courts are always open, and the pucks will be waxed. You are always welcome to play if the sun and bugs don't deter you. Enjoy! We will resume a regular schedule in the Fall.

### Pickleball and Tennis

The pickleball/tennis players would like to thank those who attended and supported the two fundraisers/dinners this year.

The courts are always open but are undergoing some construction so play carefully.

See you in the Fall.

### Outreach Ministry

Our name and leadership are changing to better accommodate the board requirements in the Park. **Christine Aurich** will head the new "Outreach Ministry" which replaces Briarwood Ministry because we do so much more than just one day a week of outreach. May God continue to bless this ministry and bless all those who help it succeed in reaching people for Jesus.

Jesus used food to deliver his message, his miracles, to his people. Instead of sending the 5000 away, he had his disciples sit them down and sent them looking for the only food available, 5 loaves and 2 fishes. Matthew 9:10 tells us about another meal, "Then it happened that as Jesus was reclining at the table in the house, behold, many tax collectors and sinners came and were dining with Jesus and His disciples." That's a perfect picture of outreach!

Meeting the basic physical needs of people often ministers more than words and ultimately gives you a kind of integrity that can lead to a discussion about Jesus. Is God asking you to reveal Jesus, through a meal? Or a donation toward a meal?

Jesus' table calls all of us to come and dine, to feast on who he is and learn more about him through the Word. His example of feeding people provides us with an opportunity to invite friends, outcasts, the needy and even enemies to know Gods' story of love and salvation. That's what the "Outreach Ministry" is all about, feeding and inviting! You help feed not only Briarwood, but also Feeding Tampa Bay, Boys & Girls Clubs of Lakeland, Northside & Dade City Food Pantries. And of course, Thursdays are all about Light & Life! But the ministry is not about serving the saved, but the unsaved who need physical, and more importantly, spiritual food.

Continued from previous column.

God Bless!

### A Note from Pastor Chuck...

Greetings servants of the Lord! While the winter season has drawn to a close, we now look forward to the summer activities.

One summer activity is the Annual Conference. Our Southeast Region Conference (SRC) Delegates are Sylvia Stevenson, JoAnn Thomas and Gene Lewis. Annual Conference will be June 10. The Superintendent is doing something a bit different this year due to the denominational General Conference in July. What will be different? We will have Conference by Zoom. This is done to encourage our Conference folks to attend General Conference. The money that would have been used for motels and travel to Columbus, GA will now be used to head to Orlando.

Another activity, already mentioned above, the General Conference, will be held July 24-28 at the Hilton Orlando. This year there is also a day of prayer, to be held on the 23<sup>rd</sup> at the same motel. Our Annual Conference will have an Ordination service following the conclusion of the General Conference. We are packing as much as possible into a relatively short time frame.

Light and Life has 16 folks signed up to pray for the SRC through the year. We will pray in 30-minute blocks joining other Conference Churches to pray around the clock. There is of course more to this and if you are interested in joining the prayer crew, please let Pastor Jeff or me know of your interest. The SRC has yet to get the prayer initiative organized but anticipates a kickoff at our Annual Conference.

In Christ,

*Pastor Chuck*
