News from the Park Administrator

Light and Life Park is such a great place to live, work and play. I love that visitors report that they have had a great time and how good the Park looks. Thank you, members, renters, and visitors. Together, we make this the great place that it is.

The work of volunteers is evident everywhere! Let me take you on a short tour. As you pull up to the gate, you will see new landscaping enhancing the look of our entrance. Proceed to Beulah Land and take a look at Martha's Place. It has been given an exterior washing and painting as well as a new stoop, planters, and bushes. As you continue to the back of the Park, the replacement mower shed is well under construction and will be ready for use in the near future. Walk to the center of the Park and notice the work that has been completed so far on the ditch running behind the library. Although some of the work has been completed by our paid staff, many volunteers have contributed to this work in progress!

In addition, many hours of volunteer work has been completed on the golf course, shuffleboard courts, pool, miniature golf, and assisting in the setup of audio and video for meetings and events. And, speaking of events, I am reminded of the many hours that were spent by volunteers planning and executing the parade and the all-park field day. Yes, this Park is fueled by volunteers. Thank you every one!

And if you haven't volunteered yet, don't worry, There will be more volunteer opportunities over the next few weeks. Watch your email for details.

In the past, Sugar Creek Gang has played a significant role in many projects in the Park. We are in the process of reorganizing the way the group is managed and how it is organized. There is a large number of people who have been part of this group in the past and I have invited others to be involved. Recently, I sent out an invitation for group members to help with a project and have had several responses. Please be patient with us as we reorganize.

If you are wondering how much money your group has in their account, please check the bulletin board in Hood Hall. I am attempting to update the sheet monthly to keep you posted. However, since the number will change during the month, just ask me if you need to know the current amount.

As most of you have probably heard, there was a major fire and explosion behind the Villas just outside our Park. Fortunately, no one was injured. And, because of the quick thinking of several Villa residents who sprayed water on the roof of the Villa's storage shed, there was no significant damage to our property. There was, however, some minor damage to the privacy fence between us and the neighbors, and there has already been discussions about repairing that.

For the past year or more, the Board and Member meetings have been broadcast on Zoom. Setting up and tearing down required a great deal of my time and the assistance of several volunteers. This year, I have been able to get much of the wiring and equipment in place on a semi-permanent basis. It is important that you check with me before removing or relocating any wires or equipment. If you need to move something, please check with me first.

Zoom has made it possible for people to view and participate in meetings who are unable to attend either because they are not at the Park or they have physical limitations. Online access to meetings is an ongoing reality that is a positive outcome of the COVID restrictions we experienced early in the pandemic. If you want to Zoom in and have any problems or questions about joining a Zoom meeting, please let me know by email.

The Digital Park Directory has grown quite a bit over the last few weeks. Many more people have signed up, and we are working hard to get people added. You can use the Directory to find the Park address of someone you're looking for as you drive around right from your phone. Also, if a person is listed, you can call, text or email them right from your device. That can only be done if everyone is listed in the Directory. If you are not yet listed in the Directory, please call the office and we can get you started. Once you have been added, you will need to install the *Instant Church Directory* onto your phone and then set up an account. If you need help doing any of that, please check with a neighbor or call the office.

I have heard from several people this year that they see so many new people they don't know. So, here's a challenge for you. Make an effort to get to know someone new. Break up your cliques—at least for an afternoon or evening. Invite someone you don't know to be a part of what you do. Get to know them. Spend time with them. You never know what friendship might develop. As we get to know more of about one another, the Park will become an even more special place.

Office Manager

February has flown by. I can't believe it is over. March is blowing in so fast I can't catch my breath.

So much has happened. We have had so many property changes. I will list the new owners of property in another location in this letter.

I would encourage you to allow people who may be selling their place to actually get it listed. I know there are not very many on the market, but it would be considerate to give them time. Maybe there are some hard emotions because of selling. Maybe they are not really ready. If it is meant to be yours, maybe you should trust that the Lord has it in his hands. Please do not call someone who's loved one has just passed away. That is just not right!

In case you haven't noticed, we have a few people here who don't know that an octagonal sign at a corner means STOP. I have observed many people who seem not to know that it means slow down and look both ways. I was lucky one night also because I stopped at the stop sign at my corner. The car that came from the west was going so fast that he would have hit me if I hadn't stopped. The reason I know this is because the driver never even looked my way.

There were two events mentioned in the last paragraph that we should note. Failures to stop and going too fast are frequently observed here. A wise man said to me the other day, "Grandparents who don't stop at stop signs with their grandchildren on the cart just give the message to those children that rules don't apply." Food for thought.

I have already had inquiries about reserving spaces for next year. It is so great that once they come, people want to return to our lovely and loving park. I will accept reservation requests for next season before you leave for home. Please stop by the Office and I will have you fill out a form with your request on it. I will not work on actually booking the requests until summer. Seniority does apply for Guest Rooms, Cabins and Camping spaces, but I do work hard to fulfill all the requests, if possible.

We continue to find ways to improve how we do business. We finally got the laundromat updated to machines that use credit card or an app to operate. This eliminated the need for quarters which had

Continued next page.

Continued from previous page.

Become almost impossible to get. I was lucky to get 1 or 2 rolls of quarters sometimes when checking at the bank. Thanks to all who rolled their quarters and helped us out while we were struggling with this.

We will be working more on getting people set up on our digital directory. I hope we can increase our participation and get more pictures uploaded. If you haven't filled out a form yet to get started, please stop by the Office to get one.

I will be out of the Office on March 4 and March 7 so if you need something, please try to see me before or after that. Lori and Stan will be in, but property issues should probably be delayed, if possible, when they haven't been addressed by March 4th.

I have done this Newsletter for 10 years but would be glad to pass it on if someone would like to do it instead. If you would like the year-round task of putting out the Life and Times, please let me know at the Park Office.

Thanks to all of the volunteers who have helped out with the events recently. Also, thanks to the organizers of events and the workers who made it happen. We have had some very creative and exciting events available to us. We look forward to March events. Be sure to check out the things that appeal to you. What a blessing that we have so much to do.

I hear the March winds blowing now...here we go with another month!

Blessings,
Sherry La Brie

News from the Board of Directors

This is my last newsletter article. My term on the Board is ending. It has felt to me that the Board and the Office and workers have enjoyed growing trust and productivity over the years. It has been so humbling to be a part of this.

I feel we have all stuck to a goal of serving what the majority of you, the members, have wanted. We have tried hard to face full-on even tough subjects – even if it felt so uncomfortable to do so. Fortunately, most of our efforts went to improvements to our Park. Over the last many years improvements have been made because so many of you have helped us. Yes, we give a part of lives in these many endeavors, but what else would our Lord want us to do? We are blessed to be able to work together. This makes our lives and our Park so satisfying.

In case some may have wondered or even assumed wrongly, I'll risk explaining the following: When Tom LaBrie, one of our employees, has worked so long and hard developing and improving the Park's 30 acres to our southeast, he has voluntarily been doing this on his own time. He has used his day off or his Saturday. Several of us volunteers have helped last year and this year. We now face a tough challenge to repair/improve an old broken-down bridge to provide easy access for you to enjoy seeing this part of our property.

I have learned so much and continue to learn a lot from the rest of the Board, our employees and of many of our members. By the time we have reached this stage of our lives we have lived through such a variety of experiences. Our Park's close proximity to each other allows us to meet so many of our neighbors. I love this especially since this is a Christian Community.

Thank you, folks. This has been such an honor to be a part of the Board and this Park.

Aquafit Water Aerobics

All are welcome to come & enjoy fun in the sun with a low-impact workout in the water to enhance health & wellbeing. Routines are choreographed to music and designed to promote improved muscle strength, endurance, flexibility & core balance without the stress of land exercise.

Splash times are offered during snowbird season, twice weekly, and free of charge. Currently we are not on a "set" day of the week due to weather conditions. However, spring is around the corner! Updates are posted on L&L Facebook and Neighborhood News. Kindly share this with your friends!

Mel Starr will have copies of his latest medieval mystery, **MASTER WYCKUFF'S SUMMONS**, which was released in October 2021, available at 5843 Mizpah Ct He will also have copies of earlier books in the series. When Mugs on Mondays begins, he will have them available there.

A note about pop/soda cans:

Thank you for saving your aluminum cans which are taken by us to a recycling center in east Lakeland. The money received is being used to buy benches for the Park.

I am happy to pick up your pop/soda cans to haul to the Recycling Center, however it will make my job a lot easier if you remember the cans from canned goods **CANNOT** go in with the aluminum pop cans. These are picked up by someone else and need to be kept separate.

There is a bin in the metal recycling collection center near the dumpsters which is marked "POP CANS"--that's the one to use!

Thanks for your help.

PARK WIDE FIELD DAY

Thank you, Cliff and Carolyn Nicholas for putting together such a great day for the whole Park last month. The weather was perfect. The games were exciting. The participation was great! The wrap-up at the church was challenging.

We are grateful to all of the volunteers who helped make the day successful! It took a host of people to manage the games, prepare and serve the food, set up and clean up.

What an awesome day!

Medical Equipment Available

Maxwell Commons at The Villa has some medical equipment available that can be borrowed by any Park resident. Call someone you know in the Villa to help you. Please sign out the equipment you are borrowing. There are wheelchairs, walkers, rollators, portable pots, and shower seats. Please notify a Villa member when you are returning an item so we know it has been returned. Please don't leave it on the porch. We are not presently accepting any equipment donations due to lack of storage space.

Purchasing Benches

If anyone is interested in purchasing a park bench for your home at Light and Life Park or for the Park, please contact Ed Hamilton at 765-714-1228. The price is \$275.00 each and you can pick out any color the company makes.

Talbot House Ministry

The ongoing deliveries of prescription bottles, unused medicines, good clean clothing that you no longer use and small household items is an ongoing project. Please continue to save these helpful items for the homeless shelter and the Good Samaritan Clinic. Please deliver them to the Whipple's porch at 5866 Deeson Road any time. Jean will get them delivered.

Jean will take your items on Wednesdays. PLEASE leave things in Jean's screened porch any day just inside the door. Thank you.

Should you wish to send financial assistance to this work, the address: 814 North Kentucky Avenue, Lakeland.

Newsletter Deadline

Please be sure that your submissions to ***The Life and Times*** are delivered to the newsletter editor, Sherry LaBrie, by the 15th of the month prior to publication.

Please use this email: sherry.loflin69@yahoo.com. Email is the preferred method. You may also drop your submissions off at the Park Office or to **5425 Zion Avenue**, where there is a mailbox for your articles. The **April** deadline is **March 15**.

Where to Donate your Goods

The donations given at the Park to help others are appreciated. We want to remind you where to take your donations.

Food donations for Briarwood may be left on the designated table in Hood Hall.

We will not be accepting "linens" for Senior Orphans until later in 2021.

Jean Whipple takes several items to Talbot House weekly. See that article in this newsletter for details.

Thank you for your cooperation.

Bucket Listers

The Bucket Listers hosted a cinnamon roll fund raiser right after the park's Resident Meeting on February 14, 2022. Thank you to Cherylynn Slowey for your baking skills!

The Bucket Listers hosted a a night of trivia at Hood Hall on 2-15-2022. Popcorn and pop were available for a donation.

The Bucket Listers also entered several "Happy Days" themed golf carts in the Beatification Parade.

The Bucket Listers have several ideas planned for the upcoming craft show in March. Come check out our table for crafts and snacks!

Earl Galloway, gospel singer is coming in March 13, 2022, at 6:00 pm to the church for a concert. You can also hear him on Facebook on Sunday afternoons and Monday nights.

We continue to anticipate the completion of the sidewalk that will connect Shiloh Path with the library. Your donations at work making our park better.

Thank you for supporting the Bucket Listers fundraisers! We appreciate your support and suggestions. Keep your eyes open for future projects!

Wood Shop Club

The Wood Shop Club has completed the display for the Memorial and In-Honor Bricks that were sold during the construction of the new shop building. They wish to invite everyone to come to the Wood Shop and view the new display just outside, to the left of the entrance ramp to the building.

A big vote of thanks is extended to all those who purchased Bricks and helped the Park complete the Wood Shop Building.

Gadabout News

The ladies of the Park have enjoyed the first two trips of the year. The first trip to Columbia Restaurant in Ybor City and touring Tampa on the streetcar ended up with a smaller crowd because of covid hitting hard around here. Thanks to Lana Kendall for hostessing that day and leading the trip. It took place on Jan. 27!

Feb. 10 was the trip to Madeira Beach and John's Pass Boardwalk. Lunch was on the water and followed by the Wild Dolphin Boat tour. At least two dolphins showed off for the girls. It was a bit cool but a bright and sunny day! Thanks to Flo Grabowski for taking this one over for us and it went really well.

Feb. 26 was the third trip to our own downtown Lakeland Saturday Farm Market and Flea Market. Lunch was planned for the Garden Bistro Restaurant and a walk around Hollis Garden and the beautiful Lake Mirror.

The rest of the events have been cancelled for this season. Thank you to Peggy Dunn for hanging in there even though Jim has been having such trouble. We look forward to her return next season.

Questions or Suggestions for next year? Contact Peggy Dunn at 248-766-5537, or Verneta Dunn at 810-441-9408, or Flo Grabowski at 931-797-2639. Let us know what you like to do!

Shuffleboard

Regular shuffleboard season will be ending soon after you receive this newsletter. This year's regular tournament had the smallest participation in many years due to covid and some other sicknesses. We will continue to meet on Mondays at 1:00 and Thursdays at 6:00 pm if enough people turn out to practice or it gets too hot at 1:00. We will still practice on Thursday evenings until the rainy season begins.

We will be having our spring meeting with refreshments on March 17th, at 12:00 noon in Hood Hall. At this meeting we will make plans for shuffleboard for 2023, we will pass out trophies to the winners of the tournaments, set dates for meetings and tournaments. Discuss plans for shuffleboard courts etc. We will be electing officers for 2023. Everyone is welcome to attend this meeting. looking forward to seeing you at this meeting.

Stamps for Missions

All donated stamps are sent to Alliance Stamp Ministry in Fort Myers where they are sold to dealers. The money is sent to a publisher in Buenos Aires, Argentina where they publish Sunday school material in Spanish that are sold to at least eight Latin American Countries as well as Spain and the US. They are used by over 40 Protestant Denominations. Because of postage expense we are partnering with the American Baptist Church through Donna Bruce.

Try to leave at least 1/4 inch or more around each stamp or strip of stamps.

They now collect picture post cards both unused and used. If used, please leave the stamps on the cards. Thank you.

The container is in **Hood Hall** for your convenience.

Thank you.

Craft Show Mar 10-12

Just wanted to let you all know that we are planning to have the craft show this year!

First, I would like to thank Sharron and Don Moore for spearheading this event for several years!! We so appreciated you doing this!

I am working with a committee to put it on this year. I have representatives from the Wood Shop and from Martha's Place helping me out.

At this time, we are planning to do set up on Thursday March 10th, be open all day on Friday and Saturday morning.

We are hoping for a lot of involvement from our community and welcome all who want to bring their projects to sell or show!

As more details develop, we will keep you informed!

Many blessings!

Library Information

March Newsletter

“Ah, how good it is to among people who are reading.” Reiner Maria Rilke

Many times it looks as if no one uses the library; however it is amazing to see the busyness. That is what I have observed these past few weeks and that is **EXCITING!**

Les has been making changes that will inspire you to come and see. Those changes include:

- Continuously updating our library with current or popular books
- Taking recommendations and requests for particular books, authors, series, or magazines
- Cataloging all talking books - fiction and nonfiction
- Updating westerns – looking for new Christian authors and replacements of old books
- Labeling shelves for finding what you want
- Categorizing by genre what type of fiction – Westerns, Amish, Suspense, Family, Humor. This will be at the top of the book spine
- Preparing to put a computer for ease in looking up books
- Categorizing and cataloging books in the back room

We **need** your recommendations. There are forms on the front counter for your suggestions and a box in which to place them. If you have books you would like to give to the Library we will go through each one, check to see if we have it in our database, choose those we can use and pass on the rest to places like Oakdale, others in the park, or Light House Thrift Store.

Any Large Print Christian Fiction that you may have on hand (2010 and earlier) would be welcomed in your library if it is compatible and complements what we presently have.

March is coming and many of you will be leaving. Look around for DVDs, books, magazines you have borrowed and return them ASAP. Les and I will be sending notices out in March as reminders.

Blessings! Book Reviews will continue in April!

Continued from previous column:

Helpful hint: There are cards in each book in the library that help keep track of the books. When you take a book, you sign the card and the date you took it. This helps the library. When you return the book, they can check it off and know you returned it.

What has been happening is that someone is taking the book without signing the card. They take the card with them and then later return the book without the card.

Please be aware of the policy and make sure you do it properly.

Thank you.

Happy reading!

AARP SMART DRIVING UPDATE

After 12 years of offering the AARP Sat Driving Course at Light and Life Park, AARP, at this time, will not supply us with instructors to teach the class. This is because of the pandemic.

AARP does not wish to expose its instructors to large groups of students. As a result, all classes in Polk and Hillsborough Count are cancelled until at least March 2022.

You can still take the course using the computer. You can go to the AARP website at www.aarpdriving skills.org. Use the promo code: Driving Skills

Here are some important reminders from the Administrator:

1. Any plans to make structural changes or additions to your residence or add a shed or concrete to your property must receive Administrator approval prior to beginning the project. Please use the form available in the office to submit your request well in advance of your timeline for doing the work.
2. If you or your group are planning an event or wish to use Hood Hall or Maxwell Commons, please check with the office first to ensure there are no scheduling conflicts. Your event or reservation will be added to the Park calendar once a time is confirmed.
3. Please follow posted speed limits and stop signs. I have seen some close calls between cars and bicyclists. Safety is much more important than the few seconds that might be saved by not stopping at a stop sign or speeding through the Park.
4. Although we love the wildlife in the Park, it is important to remember that it is illegal and often dangerous to feed them. If you feed alligators, they will begin to view us as food delivery people. Once that happens, they may attack if someone approaches that does not have food. Do NOT feed the alligators. It is also important to note that if you tease alligators, they may become aggressive. We can live in harmony if we leave them alone.
5. Unfortunately, we do not have a way to recycle plastics. The ONLY recycling we do is corrugated cardboard, metals, and aluminum cans. Corrugated cardboard should be clean (no greasy pizza boxes), broken down, and placed in the cardboard recycling bin. Aluminum and metal food containers should be placed in the marked barrels in the metal recycling area. (Please read Wes Crist's article on cans.) Other metals can be placed in that area. Plastics must be put in the regular trash bins with general household waste. Please crush plastic bottles and containers as flat as possible.
6. If you have debris from remodeling or have large furniture to discard, please place it in or next to the construction dumpster. But remember, the construction dumpster is a service the Park provides that is NOT included in Park fees. Please make a donation to help defray the cost of this service.

A Note from Pastor Chuck...

This month let me do something a bit different for this article. I am going to list several events that are scheduled at the Church.

Missions Conference is March 3-6. Dale and Dawn W. will be with us. They will update us on Impact Middle East. Dale and Dawn are part of our larger family. From our own immediate Park family, we will have Phil and Charity Karnes. Phil shared a bit with us a couple of months ago. Come and hear and learn more about Missionary Flights International.

March 9, Wednesday evening at 6 pm, Eduard and Christine Klassen will be with us. Pastor El likes to refer to this couple as "the Paraguayan Harpists." We are thrilled to have them return for this concert.

March 12: Larry Thomas continues to sponsor the Cars and Coffee outreach at the home of Greg and Tina Thomas, 5221 Deeson Rd., 8 am to 10 am.

March 13 - L & L Park (the bucket listers) is hosting a concert at the Church with a return concert by Earl Galloway, 6 PM.

March 27: Sunday evening at 6 pm, John and Kate Denner in concert.

I also encourage, even in March, participation in the numerous opportunities for fellowship and spiritual growth by joining a cell group. These "life groups" are one key in continuing the sharing of life and shedding of burdens as we learn more about Jesus and His transforming power. This is where learning, encouragement, accountability, and dreaming can come together.

May the winds of March be gentle and the still, quiet movement of God's Spirit be loud in your soul.

In Christ,
Pastor Chuck

Briarwood Outreach

The Outreach to Briarwood continues and we encourage you to contribute to the Food Pantry by making donations to the designated area in Hood Hall. Also, you may donate money even though it is no longer going through the church. Make checks payable to Randy Williams. We are grateful to Randy and Karen Williams for their continued support of this ministry. Also, there are many volunteers who make this possible. We are fortunate to have so many with volunteer hearts.

God bless you all for all you do. Let's keep up the good work.
